LOOKING AHEAD: INNOVATION AND GROWTH IN 2026

The start of a new year is always an opportunity to look forward with optimism and purpose. At IMCU, we are thankful for your trust and partnership. Helping you achieve financial success is at the heart of everything we do, and we take that responsibility seriously.

The IMCU team's dedication and commitment ensure that every interaction serves you and our communities with excellence.

Our mission has always been to better the lives of those we serve; People Helping People. We are proud of being a top place to work, our progress in improving for you, and of what lies ahead:

Next-Level Digital Banking

We've rolled out enhanced online and mobile tools to simplify your financial life and give you more control at your fingertips, while continuing to add even more features and functionality.

Upgraded Debit and Credit Cards to Visa

In 2025, we upgraded our debit cards to Visa. In 2026, we're continuing that momentum by upgrading our credit cards to Visa, giving you greater benefits on your preferred payment methods.

Stronger Security Measures

Protecting your information remains our top priority. We will continue to implement ever-growing safeguards to keep your accounts secure and help prevent fraud.

Branch Enhancements

Select locations are being updated to offer more space, improved security, and a better overall member service experience. We are continuing to add interactive teller machines in our drive-throughs to offer extended hours, with live teller access and convenience without even leaving your car.

New Branch Openings

We are growing our footprint with two new branches:

Bottleworks District, Downtown Indianapolis (Now Open!)
Spring Mill Road, Westfield (Opening Soon!)

Ongoing Team Development

We continue to invest in training so our staff can deliver the exceptional service you deserve.

Thank you for being part of the IMCU family. We look forward to 2026 and wish you a successful and rewarding year ahead!

John T. Newett,
President and Chief Executive Officer

Members Investment Services

Indiana Members Investment Services (IMIS) is pleased to introduce Financial Advisor Phil Hogan to the team! Phil is a proud Anderson University graduate and has spent over a decade in finance, with the past six years in the investment industry. His career has been dedicated to helping individuals and families create thoughtful and personalized investment strategies designed to build confidence and work toward long-term financial success.

Outside of work, Phil enjoys time with his wife Ashley, a nurse practitioner, and their two sons, P.J. and Pace. He is active in the community by leading financial literacy workshops and reading with children.

We are excited to have Phil join the IMIS team and are confident that he will be a valuable resource to the investment program and to the IMCU members we serve.

OPEN END CREDIT ACCOUNT BILLING RIGHTS SUMMARY

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR BILL:

If you think your bill is wrong, or if you need more information about a transaction on your statement, write us on a separate sheet at the address on the front of the statement. We must hear from you no later than 60 days after the FIRST statement on which the error or problem appeared. You can call us at 800.556.9268, but doing so will not preserve your rights. In your letter, give us the following information:

1. Your name and account number.
2. The dollar amount of the suspected error.
3. Describe the error or the transfer you are unsure about, and explain, as clearly as you can, why you believe it is an error or why you need more information. You do not have to pay the amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
