MOVING? HERE'S HOW TO SIMPLIFY

Moving is hard work. Packing all your stuff, helping your kids and pets make the transition, and loading a moving van with boxes isn't easy. Oh, and did you remember to change your kids' school records, shut off the utilities, call the post office, set up the internet, and schedule the water to be turned off?

Odds are, you could use some help.

Since there's so much to keep up with, we've put together a checklist so you can move like a pro. We broke the moving process into steps to help you stay focused, remember the small things, and savor the last moments in your old home.

Follow these steps to help you navigate the next few months.
