It's that time of year when many people throughout Indiana are thinking about buying new homes. Whether you're a first-time buyer or you're getting ready to switch from your current home to one that better fits your needs, the smart way to start your home-buying journey is to talk with one of Indiana Members Credit Union's mortgage experts.

Why start your search by talking about a loan? It's the easiest way to know exactly how much home you can afford. When you ask us for a mortgage pre-approval, we'll collect and

review your financials and let you know how large a mortgage you qualify for, and explain what that means in term of home prices. That way, you'll know exactly how much home you can afford — and when you're ready to buy, you know you'll be able to obtain financing.

401(K)? YOU HAVE OPTIONS

If you've left an employer—or you're preparing to retire—you may be wondering what to do with your existing 401(k). The good news? You have options, and the advisors at Indiana Members Investment Services are here to help you understand them so you can make an informed decision that fits your financial goals.

When deciding what to do with a 401(k) from a previous employer, there are four common options to consider:

- Leave your 401(k) with your former employer's plan
- Roll over the funds into an IRA
- Roll over your 401(k) into your new employer's plan
- Cash it out

Each option comes with its own advantages and considerations. Our experienced advisors can walk you through the pros and cons, answer your questions, and help you decide what makes the most sense for your situation.

Call Indiana Members Investment Services today at 317.610.3945 to schedule a conversation and explore your options with confidence.
