Leading the groundbreaking is Ron Collier, President and CEO, IMCU, along with Luke Yaeger, Market President, IMCU.

"We are very excited to break ground on this project," said Ron Collier, President and CEO, IMCU. "IMCU strives to provide our membership with convenient locations and this new branch will be the first in Newburgh. We look forward to building new relationships with local residents, while continuing to offer our current members the convenience of a brick and mortar branch."

"Our team is very proud to bring another branch to life in this market and continue to grow the IMCU presence in Newburgh and the southwest Indiana region," stated Luke Yaeger, Market President, IMCU. "This project and its success is due to the contributions of many different team members and it is something we are very proud of. We hope to continue to grow our presence in Newburgh and the tristate as we continue to follow through on our mission of serving our members."
