The stressful part? That's usually the financial side of the transaction. For many, the mortgage process can be challenging.

Unless they received their home loan from Indiana Members Credit Union, that is. Since we're a non-profit that's focused on serving our members, we do everything we can to make the homebuying process easier. We offer a wide variety of loan programs to ensure you can find the loan that's best for your situation. You can choose between fixed and adjustable-rate mortgages, government programs like FHA and VA loans, and jumbo loans for people buying their dream homes. With our online application, you can even handle the process from the comfort of your current home.
