"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."

"It's an honor to once again be recognized as a Top Workplace," said John Newett, President and CEO, Indiana Members Credit Union. "This award is a reflection of our incredible team and the culture we've built together. We remain dedicated to supporting our employees' growth, well-being, and success—because when our team thrives, our members do too."
