HELP YOUR COLLEGE STUDENT CREATE A STRONG FOUNDATION

NATIONAL SCHOLARSHIP MONTH

College is the place where we learn lifelong lessons. Many of those lessons come through the classes we take in the career field we've chosen, but others aren't quite as obvious. One of the most important things students learn about is how to manage money.

This is National Scholarship Month, and most college students scramble to find as much scholarship money as they can. While that can help them pay for college, it's even more important for them to learn what to do with what they earn. Just ask people who are still struggling to pay off college loans into their late 30s.
